Subject: **IIEE –SQC Qatalum Plant Tour**

Dear Sirs,

Warm greetings!

On behalf of the Board of Directors of the Institute of Integrated Electrical Engineers of the Philippines, Inc. State of Qatar Chapter (IIEE-SQC), we appreciate and thank you for the effort and generosity in allowing us to visit your facilities last March 28,2014.

Indeed it was a great experience and an educational one, as our fellow IIEE-SQC Board of Director, Engr. Christopher Pino shows and explains the different facilities of your plant and the process of Aluminum production. We have learned a lot from this tour and hopefully we can be allowed again to visit your facilities in the near future.

Once again, our sincerest gratitude to all Qatalum staff that helped facilitate this visit and also for the hearty meal served in your canteen for all our members after the tour.

Sincerely yours,

**Engr. Christopher M. Cadiante, PEE**  
Chapter President / BOD 2014
